Experience

Philadelphia University: Res. Life, Philadelphia, PA

(Aug 2007 – May 2008)

Resident Assistant

- Maintained a healthy environment in the resident halls in both a physical and emotional way
- Developed social skills and learned how to develop and maintain relationships that exemplify compassion and understanding as well as responsibility
- Developed a community among a very diverse group of people by allowing them to understand their differences
- Was on call over particular weekends and could not leave campus

Rite Aid, Coatesville, PA

(Fall 2004–Spring 2007)

Assistant Manager

- Closed the store at night as well as made sure all money was accounted for and placed into the safe. This included \$900.00 in petty cash and any money made that day.
- Maintained a working environment and handled customer concerns and complaints
- Was an opportunity that started leadership of a group of people
- Helped explore what ways of leadership were successful and which ways were not as successful
- Store was always clean for opening the next day and the displays were always well managed and looked appealing

Activities

President, AIAS Philadelphia University Chapter
